The Sprawl Ganger is an urban predator, born and raised on the streets and well versed in what it takes to survive in a world where anybody you meet might kill you because he doesn't like your looks (or your colors). He's tough, strong, and trained from childhood in the arts of combat, intimidation, and street smarts. He doesn't need guns or magic to stay alive—his fists, a good lead pipe, a chain and a knife are his weapons of choice, and he's very good at using them. He knows that to stay alive in the Barrens, you've either got to be the toughest hombre on the streets or under that hombre's protection—and since he's not about to kiss up to anybody, that only leaves him one choice. Still, though, he knows the score, and he knows that no matter how tough you are, there's always somebody younger and tougher coming up behind you. This is why he's looking for his ticket up to the next rung of the ladder—maybe doing some intimidation work for the local Mob family or running courier jobs for the area's drug lord will get him noticed, and maybe getting noticed will give him a chance to show just how well this big fish in a small pond can swim with the sharks.
